

YACHATS ARTS GUILD
WORKSHOP

NORA SHERWOOD
BIRD ANATOMY
for Artists

This workshop will focus on bird anatomy and how to render it correctly. Using diagrams, taxidermy specimens and articulated skeletons, the group will focus on sketching in pencil, while learning key anatomical points. What you learn will be applicable to any illustration, regardless of the medium that you use.

MAY 17 10 - 4

40 NE FOREST HILL STREET, YACHATS
